Dear Mr. Pittman:

The enclosed performance evaluation reflects our assessment of your firm's performance for the design phase on this project. Your performance for this portion of the work has been rated excellent. A final rating will not be assigned until construction is completed.

We commend you for your excellent performance and wish to express our appreciation for your professional efforts and your cooperation throughout the design of this project.

We look forward to a continuation of this fine performance as we work with you during construction and on future design work for which you may be selected.

Sincerely,
